Family Service League

FSL Family Centers, which can be found throughout Suffolk County, are the primary means for many individuals and families to access a variety of needed services. Three things happen when people come into an FSL Family Center — they explain their primary problem, FSL staff listens and then determines how the agency can help.

Residents are encouraged to contact the Community Advocacy, Informational, and Referral (CAIR) Services identified below to help individuals and families in times of need by providing information, referrals, access to other community agencies, and practical resources.

Family Service League's five centers are:

- **Brookhaven Kanas Family Center (East Yaphank): 631-924-3741**
- **Iovino South Shore Family Center (Bay Shore): 631-647-3100**
- **Manor Field Family Center (Huntington Station): 631-425-9694**
- **Olsten Family Center (Huntington): 631-427-3700**
- **Riverhead Family Center (Riverhead): 631-369-0104**

The primary focus at Family Service League is to sustain the health and well-being of Long Island families. The core values of love, support and understanding are the strengths of the family unit — providing a solid, secure haven that enables members to face and overcome the challenges of everyday life. When those challenges become overwhelming and threaten the family's ability to cope with personal problems, FSL is there with counseling and support programs that shore up the family during periods of emotional stress or economic hardship.
